

Interested in volunteering to assist in the local COVID-19 response?

Help may be needed with contact tracing or at local testing sites. To Register:

1. Visit the [California Health Corps webpage](#).
2. Under Step 2, click "REGISTER NOW".
3. On the new page, and under the first section titled "Organizations," click "Add Organizations". Once the pop-up menu comes up, expand the "Medical Reserve Corps Organizations" section, then check the box for "Napa County Medical Reserve Corps" from the list. Click "Select" at the bottom-right of the pop-up menu.
4. Complete the rest of the application. At the bottom, in the "Volunteer Opportunities" section, click the circle indicating you would like to be contacted and provided with more information about joining an MRC.
